Dear Resident,

As our village continues to grow there are many issues vital to its future.

Lib Dems at all levels are working to prepare our area for the challenges ahead.

From our hard-working County and District councillors, through to our magnificent voluntary campaigners who deliver surveys such as this we want your views so we can be responsive to your concerns.

This survey is aimed at identifying the issues about which you are concerned so that Lib Dems locally can respond effectively to your views.

Best wishes and thanks,
